

TOPIC: MARVELLOUS ME! 16.10.26

IMPORTANT NOTICES

Please note that children should now have 20 phonemes in their reading packets (on their key chain, or tag). They are all the phonemes (the sound) shown by the graphemes (the image) to the right.

Please let us know, by writing us a note in your child's reading journal, if any are missing and we will add them back in. We will also be checking this, next week.

Jumpers, cardighans & coats

Please ensure all jumpers, coats, hats, scarves etc., are labelled with children's names and we will do our best to ensure children have these with them to take home.

Please note we will also have a box of of any remaining items to check at the end of the day at the gate during home time.

This week's phonics game:

Cut paper to match the sizes of the phoneme cards sent home and draw items beginning with each phoneme on one of the new 'cards' (one phoneme per card).
S A T P M I N - you can then play pairs with these cards later :-)

Fine Motor Challenge

Use some string and conkers to play 'conkers' at home. Children will need to cut, wind and tie the string to wrap around the conkers to play.

Wear goggles to protect your eyes - just in case.
